PPT is going FRAGRANCE-FREE!

Did you know that a growing number of churches across our nation have already become fragrance-free or are in the process of becoming a fragrance-free environment? Many people in our communities have sensitivities or allergies to scented products such as perfumes, colognes, aftershave, hair sprays and body creams.

At PPT we are committed to striving to ensure the comfort and safety of all people who utilize the church for a variety of events and activities, including worship services. Therefore, we ask you to be considerate of others and consider saving your beautiful fragrances for other special occasions.

Help us keep the air we share healthy and fragrance-free. Thank you for your cooperation and consideration.

PPT's Sunday morning services are broadcast live on an FM radio signal? All you need is a small, pocket-sized FM radio and a set of earphones. Then tune into 88.1 FM.
